THURSDAY, FEBRUARY 24, 1876.

KANSAS ITEMS.

—It is very early for immigration, but already it is setting in. Every day for the past week teams drawing wagons loaded with families and household goods, acompanied by small herds of stock, have passed through our streets.—Wichita Fagle. -A trip through most of the country last week reveals us the fact that fall wheat is suffering. It looks bad in some places, though we saw none that we thought was killed. A good snow or a gentle rain would be very respectable to the farmers at this time.—Council Grove Democrat.

The reverend gentleman uttered some startling prophesics. He said the great bridges.

To the Raptist College at Vacaville, California.—Lawrence Tribune.

A long-haired Advent (Millerite) preacher, named Irish, occupied the pulpit of the M. E. church one night last week. A large audience assembled to hear him.

The reverend gentleman uttered some startling prophesics. He said the great bridges.

—Probably more butter is brought to town now and marketed than in midsummer. It is worth only 15 cents per pound, and for quality cannot be excelled. This

thinks that Shawnee county should not bear it, but the State. Well, that is one of the results of being the Capital, and as suggested, is a streak of the lean which To-

ing among some of the Wichita boys, a man was exhibiting a biblical map on Main street, the other day, pointing out the route of the children of Israel through the wilderness, etc., to an interested crowd, when the control of the children of Israel through the wilderness, etc., to an interested crowd, and the control of the children of Israel through the wilderness, etc., to an interested crowd, and the control of the wilderness of the Wichita boys, a every afternoon and evening. The hall is crowded every night, and an interesting revival is in progress.—Emporia Ledger.

—Revivalist Hammond took as a kelper or in evangelism a young man from Ladiand subsided. - Wichita Engle.

Some of our farmers are apprehensive and forgave the scamp; that the early sown wheat, owing to the came to light, and Moore is now in jail.

-Some of our farmers are apprehensive that the early sown wheat, owing to the extremely open winter, is in danger of jointing. If it should joint, and a cold spell come, the consequences would be disastrous. A number are pasturing their fields in order to keep it down. We believe it is generally understood among the farmers that be before last. Rev. T. W. Jones, of North Topeka, has been assisting in the meetings since last week, preachin to a covided house every evening. Rev. Mr. Scribner, of St. Mary's came up last Tuesday to aid in the good work. There is a deep interest manifested in the meetings, ging a well, came upon some strange curiosities one day last week, at a depth of mearly sixty feet below the surface. He found perfect leaves—not of the fern variety, which are sometimes found, but leaves of a large pattern, resembling oak or maple. They were perfect in form, and are fine specimens. He also found, hard stone which he broke open and found to be filled with pure cold water. This was found in the solid earth—no water near it. This copens up the old discussion of "how did the milk come in the cocoanut."—Lincola Center Reviser.

preparation for a vigorous crop campaign, and farming will open on an extensive churches, unable to gain an admittance. With an untiring zeal and a faith that Teams are in splendid condition, there is an abundance of seed, and farmers are laying in the second of the two churches, unable to gain an admittance. With an untiring zeal and a faith that wavers not, the christian element, lead on by the ministers, works unfaiteringly. ing in a good supply of plows, harrows, Whichita Engle.

seed-drills, cultivators and other imple——The past w ments for carrying on farm operations. A large amount of prairie will be broken and many thousand acres fenced in and put into early crops. Our people are learning many, that a division of the forces—that is, the true value of the productive soil at each congregation going to their own church their disposal, and we predict twice the number of acres of corn, flax, castor beans and broom-corn will be planted this year, compared will be planted this year, the interest has increased daily at each weight is seen and Felt. compared will last season.—Burlington Ga-

The Telegraph and the Babcock Dispatches.

EXECUTIVE OFFICE, WESTERN UNION TELEGRAPH Co., Editor New York Times :

My attention has been called within a

and Long Branch recently examined by me in pursuance to subpoena, contained nessages between Babcock and members of the ring which show conclusively that Bab cock is guilty. Reports containing some of these allegations have already been pub-

I deem it due alike to public and to private justice to say concerning the matters referred to in these reports : First: The application made to the court in the behalf of the company at St. Louis was not at the instigation, solicitation, or suggestion of Gen. Babcock, nor of any person acting in his behalf nor was my trip to Washington on that business. Second: No effort has ever been made

by or in behalf of Gen. Babcock to prevent the company from furnishing all messages in its custody that had been called for by process issued from any court, and all such have been furnished.

—No man, for any considerable period, can wear one face to himself, and another to the multitude, without finally getting bewildered as to which may be true.—The Nourlet Letter. have been furnished.
Third: The search made through the New York and Long Branch files tailed to

An old merchant in New York, who has lived through several depressions and panics, and who has been a hard student of the signs of the times, records in the Evening Post, of that city, the opinion that the low est point of depression has now been reached, and that "a day of prosperity, such as the city has not ever seen is, at hand." The

belief, which may be condensed thus:
"I. The California mines in 1876 will

We have received a copy of the "Home Cook Book," published by T. J. Brown, Eagler & Co., of Toledo, Ohio. It is a neat little affair, tastefully gotten up, contains many valuable receipts, and is a destination to the library of every cally or financially.—Eurola Herold.

Bot Much Use.

D. R. Anthony has been thoroughly investigated, and is pronounced by the authorities a model postmaster. It isn't much use letter-chang to Rabway a CO. So all warns at., New York Internation worth cally or financially.—Eurola Herold.

-The minister of the M. E. Church In Wichita calls the southeast corner of the church "the devil's corner." This is because all the pretty girls sit there, and play he devil with the young fellows hearts.-

Young Men's Club. Odd Fellows' Hall was well filled last

Odd Fellows' Hall was well filled last find a single message, either covered by the subpona or outside of it, which related to any of the cases at St. Louis.

Fourth: It follows necessarily, that I have not stated to any person, anywhere, that the records of this company contained evidence conclusive of the guilt of Gen. Babcock. I have stated in a few instances exactly the contrary. Very respectfully, William Orton.

Better Times Coming.

Odd Fellows' Hall was well filled last built a happy company of our best young ladies and gentlemen. The best field last ovaries and loosgik. All the doctors said "there can be the certificity of the doctors said "there was no help for it." If red everything that was not below in the doctors said "there was no help for it." If red everything that was not below in the doctors said "there was no help for it." If red everything that was not below in the doctors said "there was no help for it." If red everything that was not below in the doctors said "there was no help for it." If red everything that was not below it. I have best follows. Beautiful Teeth, White as Pearls, sound bealthy founs, Breath, Fragman as the recommended, but noticing helped me. I saw your headerwell, and thought I avoid ty it to the hessivenit had no faith in it, because I had suffered for twelve years, a took as ign of tame? W. A. Batchelor's New Cosmetique, even to those who are apt to criticise dancing. The suppers are gotten up in a plain, sensible style, usually consisting of palatable sandwiches and cake, and the form is the doctors said "there everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no help for it." If red everything that was no h plain, sensible style, usually consisting of palatable sandwiches and cake, and the choicest of coffee. There is no extravagance manifested by any of the usual attendants; no shoddyism; on the contrary the visitor at these entertainments is impressed with the fact that quiet, sensible

people have met there for the purpose of passing a pleasant hour with friends.

Let's Have Her Picture.

Let's Have Her Picture.

Let's Have Her Picture.

States:

New York, Oct. 11, 1870.

Dr. Radway.—Dear Str:—I sun induced by gother or dity to the suffering to nake a biret state in the following cognetic ted on the American people, is the report of Brother Shearman to Plymouth church. He says the principal ground of complaint made by Brother Bowen against Brother Bescher is that the latter didn't pay enough attention, has lived through several panies and periods of depression, and now believes that the lowest round of the ladder has been reached, and that a 'day of prosperity such as the city has never seen is at hand.' Six or seven very cogent reasons can be given for this hopeful belief, which may be condensed thus:

"I. The California mines in 1876 will produce \$100,000,000,000 and in 1877 \$2,0000.

Let's Have Her Picture.

The largest sized joke, latitudinally and longitudinally and longitudinally, that has yet been perpetrated on the American people, is the report of Brother Shearman to Plymouth church. He says the principal ground of complaint made by Brother Bowen against Brother Bescher is that the latter didn't pay enough attention to his (Bowen's) wife. This is the first complaint of the kind that has some under the first complaint of the kind that has some under the physicians all said wrs a prostate stricture in the urcha. Bescher is that the latter didn't pay enough attention to his (Bowen's) wife. This is the first complaint of the kind that has seen the state of the same that the stricture in the urcha. Bescher is that the latter didn't pay enough attention to his (Bowen's) wife. This is the first complaint of the kind that has some tweeten unterested an amost terming affecting unsasse, which to the siders and otalder, and gaze it as their opinion that my age "13 years—would prevent my ever gesting salically cared. I had read a number or physicians, and had taken a large quenctity of the number or physicians, and the taken as a large quenctity of the same that the latter

From Florida comes the romantic story produce \$100,000,000, and in 1877 \$50,000, of Delhia Jones, a full-blooded negress, 000 more.

"2. The excess of our exports over our imports in the fiscal year of 1875-6 was \$57,000,000. This will be increased in that which ends in June, 1876, probably to the anything to her she turned her property to comb (\$7.250.) left it to him by will. S70,000,000.

"3. The "Centennial" will bring to us seven millions of people, whose average expenditure will not be less than \$10, making \$70,000,000. A Philadelphia calculator estimates the visitors at a hundred millions down in that "Land of Flowers."
